

## **BUILDING CONSTRUCTIONS**

- Adishchev V.V., Mal'tsev V.V.** The numerical-analytical method for determining the deflection of reinforced concrete beams with use real nonlinear stress-strain charts of concrete ..... 5

## **THE THEORY OF ENGINEERING STRUCTURES**

- Dukart A.V.** Upper bound for the maximum amplitude of linear systems with periodic perturbation of limited energy. Part 1. System without damping ..... 18

## **BUILDING MATERIALS AND PRODUCTS**

- Erofeev V.T., Likomaskina M.A., Smirnov V.F., Smirnova O.N.** Investigation of modified asphalt and to study the species composition of the mycobiota of surface of samples exposed in different conditions, moist maritime climate ..... 25

- Poluboyarov V.A., Korotayeva Z.A., Voloskova E.V., Gorbunov F.K., Zhdanok A.A., Bulgakov V.V., Gysev K.P.** Obtaining haydite based on ash-and-slag wastes and a silicate binder ..... 41

<b>Abdullaev A.M., Mezhidov V.K.</b> Adhesion of plaster to the clinker in the process of grinding .....	50
<b>ECONOMICS AND MANAGEMENT OF CONSTRUCTION AUTOMATION AND CONSTRUCTION TECHNOLOGY</b>	
<b>Gerasimov V.V., Safaryan G.B., Svetyshev N.V.</b> Organizational and technological reliability of repair and construction works of residential facilities .....	60
<b>BUILDING AND ROAD MACHINES</b>	
<b>Gavril'chik G.R., Olziybayar Choen, Romanov K.N., Kvartskhalaya T.R., Gvozdev V.A., Abramnikov E.A.</b> Throttle pneumoshock mechanism with partial displacement of air from the chamber of the stroke through the stem .....	69
<b>SCIENTIFIC AND METHODOLOGICAL SECTION</b>	
<b>Zhadanov V.I., Nesterenko M.Yu., Stolpovskiy G.A., Nesterenko A.M.</b> Study of absorbing properties of construction materials: concrete bulkhead case study.....	76
<b>Loganina V.I., Kruglova A.N.</b> Reliability assessment of quality control of construction products .....	87
<b>Shilyaev M.I., Khromova E.M., Kuseinov B.T., Bolotov K.O.</b> Convective drying of the granular layer .....	93
<b>IN HIGHER SCHOOL LABS</b>	
<b>Miryaev B.V., Tolyshov S.A., Syuzyumov D.S.</b> Experimental research of model of hemispherical mesh dome .....	103
